

《用优步“打飞的”你准备好了吗？》

还在为堵车而烦恼?日前优步在纽约推出了直升机服务，所有苹果手机用户都可以直接下单打飞的，飞行时间8分钟，单人单程200到225美元，虽然比打车贵，但比包机划算多啦!空中飞的时代真的要到来了吗?

A media member takes pictures from a helicopter operated by Uber Copter, a new service by the ride-sharing company Uber, providing service from Manhattan to New York's JFK International Airport initially for Diamond and Platinum Uber Rewards members as well as special Uber partners in Manhattan, New York, U.S., October 2, 2019. Picture taken October 2, 2019. REUTERS/Mike Segar

Uber is giving riders the option to skip the traffic jam and hail a helicopter to the airport instead, provided they can shell out the money.

??

The ride-hailing company expanded its helicopter service Thursday between lower Manhattan in New York City and

Uber sees the helicopter rides as a step closer to achieving its goal to eventually deploy a much larger network of all-electric flying taxis, Allison said.

??“?”????????????????

Uber's helicopters are owned and operated by a company called HeliFlite. The service is available weekdays from about 1 pm to 6 pm.

Groups such as Stop the Chop have pushed to limit flights in New York, citing environmental and health impacts caused by helicopters, which contribute more carbon dioxide to the atmosphere than cars. Helicopter noise complaints grew from 1,039 in 2018 to 1,589 in the first eight months of 2019, according to New York City's 311 complaint line.
