

《文旅部提醒游客“五一”出游疫情防控不放松》

文化和旅游部官网发布旅游提示，提醒广大游客“五一”出游疫情防控不放松，安全文明记心中。

????????????????(????????)

Tourists are asked to pay close attention to the situation of epidemic risks released by local authorities and the latest epidemic prevention and control measures of their destination, according to a statement on the official website of the Ministry of Culture and Tourism.

??

Tourists are urged to carry out self-protection measures including wearing masks and washing their hands

frequently, as well as keeping their distance from others while taking transportation and visiting parks. The use of serving chopsticks and spoons during meals is also recommended, the statement said.

??

????????????????????

The statement also asked tourists to learn in advance about ticket reservations and other measures of scenic spots and devise their itineraries to avoid peak times.

??

?????

Tourist attractions are allowed to receive 30 percent of their maximum visitor capacity. Paid scenic spots are required to evaluate the results before launching preferential policies for tickets and entertainment programs.

????????????????????30%????????????????????????????

Tourist attractions should strengthen management over population flow to prevent mass gatherings. Travelers are required to make reservations and encouraged to visit scenic spots in different time periods.
