

《湖北省连续29天无新增新冠病毒确诊病例》

WUHAN - No new confirmed cases of the novel coronavirus disease (COVID-19) were reported in Central China's Hubei province on Saturday, the provincial health commission said on Sunday.

????????????????????(COVID-19)??????

This marks that Hubei, the once hardest hit Chinese province, has had no new confirmed COVID-19 cases for 29 consecutive days since April 4.
