The little girl from Nanjing, China, may be 6 years old, but her musical prowess goes far beyond her years. Not only is she a great guitar player, but she's also a beautiful singer! It's no wonder she's charming thousands with her adorable cover of a classic song.

Young Lady, the world is yours! Don't worry about your English. Working hard trying to learn to play your guitar is okay, just make sure you have fun while you're doing it. Believe in yourself, the rest will all fall in place.

If that isn't enough to make you fall in love, her personality is great too. Each video on her YouTube channel comes with the statement: "Thank you for your encouragement. I will continue to study hard. To fulfill my dream to be an excellent guitarist."
