

《刺激消费 发改委释放放宽新能源汽车限购信号》

为扩大内需、刺激消费，下半年，我国将鼓励限购城市适当增加汽车购置限额，放宽新能源汽车限购，对购置新能源汽车等给予适当补贴。

"In the second half of this year, China will further improve the environment for private investment and adopt more supportive policies to encourage private sector engagement in epidemic response, public health, logistics, emergency stockpiles and other weak links. More efforts are also needed to facilitate bank lending for the private sector," Ning said.

??

Ning said the country will push ahead with major investment in new infrastructure, new-type urbanization and key projects for national development such as transport and water infrastructure, and focus on weak links in fields such as public health, emergency medical supplies, transportation and energy.
