

## 《英文也有“微小说”》

自从有了微博，身边的很多事情都开始微博化了。热爱织围脖的同志们时不时还搞“微小说”创作比赛，看谁的小说写得又短又有深度。在网上转了一圈才发现，原来这并不是国内围脖爱好者独创的，国外的文学爱好者们也爱写“微小说”哦。

Hint fiction is an extremely short literary work, typically no more than twenty-five words, that hints at a longer, more complex story.

Those very, very, very, VERY short stories are all the reader is ever given. Just a hint. Not a scene, or a setting, or even a character sketch. They are given a hint, nothing more, and are asked — nay, forced — to fill in the blanks.

A hint fiction titled Progress:

After seventeen days she finally broke down and called him "Daddy."
