快乐的一天 A Happy Day(一)

Last night, my mother told me that we would have a picnic with my uncle ' s families in a park. I was so excited. The elders sat at the ground and talked about the work stuffs and family issues, while the children were playing around. My cousins and I went to the fairground. We took the pirate boat, which made us scream out loudly. I will never forget the feeling of taking the pirate boat. Besides, we also played other interesting activities. For me, it was a happy day. For my parents, I thought they were happy, too.

昨天晚上，我妈妈告诉我我们要和叔叔的家人在公园里野餐。我太兴奋了。长辈们坐在地上谈论工作和家庭问题，孩子们则在玩耍。我和表兄弟姐妹去了游乐场。我们乘坐海盗船，这使我们大声尖叫。我永远不会忘记坐海盗船的感觉。此外，我们还进行了其他有趣的活动。对我来说，那是快乐的一天。对我父母来说，我觉得他们也很幸福。

快乐的一天 A Happy Day(二)

On July 28th, we are at the swimming pool, because we are going to have a special competition. It ' s a match in water-the tug-of war in water.

We go to the swimming pool very quickly after dinner. We are so excited that we could not wait. We are having tug-of- war with Class E. It is our first time to have this match in water in our lives. When we jump into the water, we all hold the rope tightly. After the judge ' s whistle, we all try our best to pull the rope. But we feel very hard to stand in water. But we still tried our best. Because Class E has more students, we lose this game. But we are very happy.

Today is really a happy day.

7月28日，我们在游泳池，因为我们将有一个特别的比赛。这是水上比赛水上拔河。

晚饭后我们很快就去了游泳池。我们激动得等不及了。我们正在和E班进行拔河比赛。这是我们有生以来第一次在水中比赛。当我们跳入水中时，我们都紧紧地抓住绳子。法官吹哨后，我们都尽力拉绳子。但是我们觉得站在水里很难。但我们还是尽力了。因为E班学生多，我们输掉了这场比赛。但我们很高兴。

今天真是快乐的一天。
