

## 《2012年伦敦残奥会：薛雷夺第90金》

China made history on Saturday after taking its 90th gold medal at the London Paralympics, refreshing its previous record of 89 golds at the 2008 Beijing Games.

????????????????90????????2008????????89????????????????

The 90th gold was clinched by Xue Lei in men's 100m-T11. Xue, 24, crossed the finish line in 11.17 seconds.

90????????100?T11????????????124????11.17????????????

At the Beijing Paralympics in 2008, the host country dispatched 332 athletes to compete in all 20 sports, and set a record of winning 89 gold medals. For London 2012, China sent in 282 athletes to compete in 15 out of 21 sports.
