

《超逼真！日本街头现巨型3D大花猫，会动还会喵喵叫》

日本东京新宿火车站附近一座建筑物上设立了一块3D广告牌，上面显示了一只非常逼真的巨型花猫，不但会动，还会喵喵叫。

Recently, a hyper-realistic 3D cat has appeared on a billboard in Tokyo, Japan, and the videos of it went viral on Twitter.

最近，日本东京的广告牌上出现了一只极其逼真的3D猫咪，关于它的视频在推特上迅速传播。

A few Twitter users had posted videos of the animal yawning, falling asleep and basically just doing cat things.

一些推特用户发布了这只大花猫打哈欠、睡觉以及做些猫咪常见的动作的视频。

据悉，这个崭新的高科技广告牌位于新宿站东出口，由一个弯曲的LED屏幕组成，横跨三层楼，可以显示清晰的4K图像。

The giant lifelike “ Shinjuku cat ” is a 4K 3D moving image created by MicroAd Digital.
这只栩栩如生的巨型 “ 新宿猫 ” 是MicroAd Digital公司制作的4K三维动态影像。

The big and official debut of the giant cat ad will be on the 12th of July, as the current broadcast is just a series of tests.

巨型猫咪广告将于7月12日正式盛大亮相，目前播出的是一些测试视频。

To no one ' s surprise, the adorable 3D cat went viral on the internet as people were quite fascinated by the unusual sight in the street.

毫无意外，这只可爱的3D猫咪在网上走红，人们相当喜欢这道不同寻常的街景。

The calico cat billboard airs between 7 am and 1 am, as the video changes throughout the day.

大花猫广告牌在早7点至凌晨1点之间播放，视频内容一整天都在变。

为了让世界各地的人都能看到这只猫，广告公司还将对广告牌进行直播。

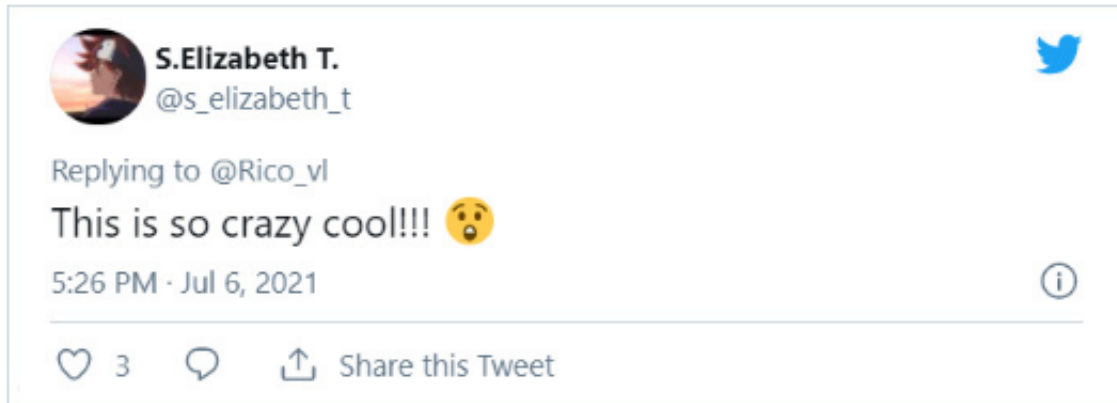

For those of you who would like to see a glimpse of the hyper-realistic calico in person despite being unable to visit, no worries! Cross Space (one of the companies behind the cat ad display) has decided to start a live stream on YouTube, where you can see the said ad as it appears periodically.

如果你想亲眼看看这只超逼真的花猫，别担心，Cross Space公司（该广告背后的一家公司）决定在油管上开启直播，在那里你可以看到上述广告定期播放。

不少网友称赞这个创意实在太绝了：

这太酷了！这是一次曲面屏妙用。

简直酷毙了！！！！

太绝了。
