

《英语词汇：on a slippery slope》

英语词汇：on a slippery slope

If someone or something is **on a slippery slope**, it's in a situation which is getting worse and will continue to get much worse. Sometimes we say it's 'going downhill'.

???????? on a slippery slope ??????????????????

Examples:

The country's economy was on a slippery slope following the closure of its biggest industry.

With his big drinking problem he was on a slippery slope to bad health.
