

《凤凰学生放学路上被黄蜂螫死》

Sixteen students were attacked by a swarm of wasps on Tuesday, in Fenghuang township, South China's Guangxi province, xinhuanet.com reported.

据新华社报道，周二，中国南部广西省凤凰镇16名学生被一大群黄蜂攻击。

One student was killed and three others seriously injured after they were stung by the insects on their way home from school. All of the students were taken to hospital after the incident.

????????????????????????????????????

The case is still under investigation.
