Rumble rumble in the jungle,  
Roar roar goes the dinosaur,  
Thump thump go their feet,  
Dinosaurs love to eat.  
They have sharp and pointed teeth,  
Some eat leaves and some eat meat.  
They lived a million years ago,  
Above water ,and some below.

Rumble rumble in the jungle,  
Roar roar goes the dinosaur,  
Thump thump go their feet,  
Dinosaurs love to eat.  
Some flew up really high,  
Some had necks that touched the sky.  
Some nocturnal,slept in the day,  
Some in winter flew away.
