高考英语真题作文范文

范文：

My Weekend

Last Sunday, several of my classmates and I attended a picking activity.

We met at my home at 8 o'clock in the morning, and then went to the farm by bus. There were many fresh vegetables and fruits in the farm, some picked apples, some picked

oranges, some picked peppers and cabbages. We didn't finish the job until 5 o'clock in the afternoon.

We were so tired that we almost all fell asleep on the bus. From this picking activity, we learn that farm work is hard, farmers are great. We should treasure every grain of rice in the bowl .
