

《购物英语口语情景对话：找英文教科书》

找英文教科书

S= Student C= Clerk

S: Excuse me, I'm looking for your English textbooks.

学生：对不起，我正在找你们卖的英文教科书。

C: They're right over there, next to the dictionaries.

店员：它们就在那边，字典的旁边。

S: Do you have any textbooks to help improve students' reading skills?

学生：你们有任何可以帮助增强学生阅读技巧的教科书吗？

C: Let's see. These books here focus on grammar, and those are mainly for conversation practice... Here we are. This book has short passages for students to read and answer

questions about.

店员：我看看。这边的书针对语法，而那边的书主要用来练习会话……找到了。这本书有短文文章供学生阅读并回答有关问题。

S: Great. That's just the sort of thing I'm looking for. Thanks.

学生：太棒了。那正是我要找的那种。谢谢。
