

《英语新词：恋爱中，你是否想过要一个宠物男？》

觉得男朋友不听你话，不做你要求的事，不帮你跑腿，是不是非常想换个言听计从的pet hubby——宠物男？

Pet hubby refers to men considered by their wives as pet dogs, expected to be ordered around and swallow physical abuse and dressing down.

??

The number of men who are willing to give up their choices and become the so-called pet hubby is increasing. Forums even derive, being the intermediary for pet hubby and hostess. They receive the personal information of both parties containing their hobbies and requests, then help them to contact with one another.

????????????????????“???”??

So, what are the psychological states of hostesses who want to have a pet hubby? Some professional woman named Jin states that “Everytime I see people with male chauvinism, some thought of why not have an obedient pet hubby occurs to me”.

??“??”???
