

《英语新词：职场中的“论功行赏”制度》

在公司上班，总少不了绩效评比。多劳多得，无功不受禄，这种商业做法用英语怎么说呢？

Eat what you kill is the business philosophy that a person who accomplishes something should get the full financial benefit that results from that accomplishment.

“????”??

Example?

We are current using an “eat what you kill” compensation system in our firm.
