The Viral Video - KONY 2012

SAN DIEGO (AP) — A co-founder of the group behind a viral video about a brutal African warlord was detained by police and hospitalized after witnesses saw him running through streets in his underwear, screaming and banging his fists on the pavement.

??

Jason Russell of Invisible Children was hospitalized for exhaustion less than two weeks after the release of the 30-minute video he narrated about warlord Joseph Kony, said Ben Keesey, the group's chief executive officer.

"Jason Russell was unfortunately hospitalized yesterday suffering from exhaustion, dehydration and malnutrition," Keesey said. "He is now receiving medical care and is focused on getting better. The past two weeks have taken a severe emotional toll on all of us, Jason especially, and that toll manifested itself in an unfortunate incident yesterday."
