

《2024年中考英语阅读理解专项训练及答案（66）》

Last summer, my family and I went to the beach for a day of fun in the sun. As soon as we arrived, we could smell the saltwater and feel the warm sand between our toes.

My younger brother couldn't wait to dive into the waves. He loved playing in the water, splashing and laughing. My older sister, on the other hand, preferred to lie on the beach, reading a book and soaking up the sun.

My parents set up a beach umbrella and started preparing our picnic lunch. I helped them unpack the food and drinks while keeping an eye on my younger brother in the water.

After lunch, we all played volleyball on the sand. My dad was the best player, and he led our team to victory. It was such a great feeling to win together as a family.

As the sun started to set, we packed up our things and headed back home. We were all tired but happy, and we couldn't wait to come back again next summer.
