

## 《第十届ChinaJoy游戏展于昨日展开，为期4天》

The 10th ChinaJoy was kicked off on Thursday at the Shanghai New International Expo Center, Shanghai. The four-day event is reportedly the largest gaming convention in Asia. It is jointly sponsored by the General Administration of Press and Publication, Shanghai's municipal government and the ministries of education, science and technology, and industry and information technology. The online gaming community in China included 330 million netizens as of June, more than doubling last year's 160 million gamers in just six months.
