《美国摄影师扮圣诞老人 穿越经典名画（组图）》

It's a quirk of the modern world that may have some of the artists turning in their grave.

图片处理技术作为现代世界的怪诞产物，大概常常让那些已故的古典艺术家不得安宁。

But one photographer has been giving their materpieces a distinctly festive feel with a touch of digital trickery.

??

Ed Wheeler has spent the last few years taking self-portraits while dressed as Santa Claus - and inserting them into famous paintings.

??·????????????????????????——??????????????????

The Philadelphia-based artist has a collection of dozens of such adaptations with Father Christmas carefully placed on canvases by Botticelli, Monet, Coolidge and Caravaggio among others.
