# 《上海游客肯尼亚被河马杀害》

A Shanghai tourist killed in Kenya by a hippopotamus on Monday .

??????????????????

The Standard, an English-language newspaper in Kenya, reported that a woman in her 30s was attacked by a female hippo as she tried to take photos of a baby hippo at Lake Naivasha Country Club, 5 km from a nature reserve in the town of Naivasha. She died on the way to hospital.

Kenyan Wildlife Service officers shot the hippo dead after the incident.

??????????????????

The woman, who has not been identified, was seriously injured to the waist and neck and was taken to a private hospital where she was pronounced dead, Osman Ibrahim, the warden in charge of Hell's Gate National Park, south of Lake Naivasha, told the newspaper. Her body was taken to Nairobi, the Kenyan capital.
