《“新年障碍”用英语怎么说？》

新的一年来到，每个人都期望新年有新气象，有新的收获。可因为习惯思维的关系，大家在新年的前几周会时不时地把新年的日期写成去年的。这样的情况，我们就叫做new year's block。

???“????”???

New year's block is a condition that usually takes place the first couple of weeks into the new year, in which a person keeps writing in the last/previous year in place of the new one.

New year's block??

For example:

This is my third check today I write in the "old" year! I guess I got new year's block.

??????????????????????????????????
