????????????????

??????????

c) the desire to make the price you paid worthwhile

?????????

d) the need to illustrate to your friends that your stomach is indeed a bottomless pit.

For example:

"Wow, I just consumed three plates of food. Maybe we should wait a while before hitting up the dessert table."

????????????????????

"I disagree. In about 10 minutes my stomach is going to realize that it's full, so I think I'll just make use of the buffet momentum that I've developed and get dessert right now."
