A visitor takes a photo of a piece of ceramic art named Mickey-china, at the China Contemporary Ceramics Art Exhibition in Nantong, Jiangsu province, November 19, 2013. The exhibition, which will run through January 15, 2014, features 240 works of art from 56 well-known ceramic artists. Works created at different times by the same artist are shown together, displaying the development of each artist's style.
