In a recently published interview with The Guardian, Kravitz opened about discovering that his father was having an affair, a story recounted in his 2020 memoir. His father, he said, told him he too would end up cheating on his spouse.

在最近一次接受《卫报》的采访中，克拉维茨谈到了自己发现父亲有外遇的往事，这段往事被写在了他2020年的回忆录中。他说，父亲曾告诉他，他也会走上出轨的道路。

“ He became right. After the marriage [to actress Lisa Bonet], I became more like him, ” Kravitz told The Guardian. “ I was becoming a player. ”

“ 他预言对了。和丽莎·博内特结婚后，我变得和他越来越像， ” 克拉维茨告诉《卫

报》，“我成了一个玩家。”

The Grammy-winning singer and guitarist ended up divorcing Bonet in 1993 and discussed how he felt about his cheating ways.

这位格莱美获奖歌手兼吉他手最终在1993年与博内特离婚，并谈到了自己对出轨行为的看法。

“ I didn ’ t like it. I didn ’ t want to be that guy, ” he said. “ So I had to tackle that and it took years. ”

“ 我不喜欢这样。我不想成为那样的人， ” 他说， “ 所以我必须解决这个问题，并且用了很多年。 ”

That meant “ taking responsibility, ” he said, adding he had to have “ discipline ” and not let “ my own desires take over. ”

这意味着“ 承担责任 ”，他补充道，他必须“ 自律 ”，不能让“ 自己的欲望占据上风 ”。

Kravitz said he ’ s not been in a serious relationship in nine years. The reporter then asked if Kravitz was being genuine when he stated previously that he wanted to be celibate until he found the right person. Kravitz confirmed his stance.

克拉维茨表示，他已经有九年没有认真的恋爱关系了。记者随后询问克拉维茨，他之前声称在找到合适的人之前想保持独身是否真心。克拉维茨确认了自己的立场。

“ Yes, ” he said. “ It ’ s a spiritual thing. ”

“ 是的， ” 他说， “ 这是一种精神寄托。 ”
