The 24-year-old woman surnamed Li attempted to commit suicide by throwing herself into the Panlong River. Wang Jiayong, 22, followed close behind to try to rescue her.?

Wang jumped into the water and grabbed Li for about 12 minutes until she was dragged ashore. But Wang himself was left in the water, and drowned after being unable to be pulled to the shore.

Wang's body was recovered Thursday morning about ten kilometers from downstream.

Li was spotted kneeling down in front of Wang's devastated mom in deep regret and sorrow.
