

《少儿英语故事：锁与钥匙》

The Lock and the Key

Once upon a time, there was a sturdy lock on a big door. A strong iron bar tried hard to pry it open, but no matter how much effort it put in, the lock remained firm.

Just then, the key arrived. Its tiny body slipped into the lock's hole, and with a gentle turn, the lock clicked open with a "snap".

The iron bar was surprised and asked, "Why couldn't I open it with all my strength, but you did it so easily?"

The key replied, "Because I understand its heart best."

Everyone's heart is like a locked door. No matter how thick the iron bar is, it cannot pry it open. Only with care and understanding can we turn ourselves into a delicate key, enter someone's heart, and truly understand them.

锁与钥匙

从前，有一扇大铁门上有一把坚固的锁。一根结实的铁棒竭力想把它撬开，但无论付出多大的努力，锁都纹丝不动。

就在这时，钥匙来了。它那小巧的身体滑进了锁孔，轻轻一转，锁就“咔嚓”一声打开了。

铁棒感到惊讶，问：“我用尽全力都打不开，你怎么这么容易就做到了？”

钥匙回答说：“因为我最了解它的内心。”

每个人的心都像是一扇锁着的门。无论铁棒有多粗，都无法将它撬开。只有用心和理解，我们才能把自己变成一把精致的钥匙，进入别人的心，真正理解他们。
