

## 《少儿英语故事：钥匙和铁棒》

### The Story of the Key and the Iron Rod

Once upon a time, there was a sturdy lock hanging proudly on a big door. An iron rod tried very hard to pry it open, but no matter how much effort it put in, the lock remained firmly closed.

Just then, a tiny key arrived. It slipped into the lock's keyhole with ease and with just a slight turn, the lock clicked open with a loud "click!"

The iron rod was puzzled. "Why couldn't I open it with all my strength, but you did it so easily?" asked the iron rod.

The key smiled and said, "It's because I understand its heart the best."

You know, just like that lock, everyone's heart is like a door with a lock. No matter how strong an iron rod you have, you can't pry it open. Only with kindness and understanding can you become a delicate key, slip into someone's heart, and truly know them. So remember, be kind and understanding, and you'll find that everyone's heart is as easy to open as that lock.

从前，有一把结实的锁自豪地挂在一扇大门上。一根铁棒费了很大力气试图撬开它，但无论它怎么用力，锁都紧紧地关闭着。

就在这时，一把小小的钥匙来了。它轻松地滑进了锁孔，只稍微转动了一下，锁就发出了响亮的“咔嚓”声打开了。

铁棒感到困惑。“我用尽全力都无法打开它，你怎么这么容易就做到了？”铁棒问。

钥匙微笑着说：“这是因为我最了解它的内心。”

你知道，就像那把锁一样，每个人的心都像是一扇有锁的门。无论有多强壮的铁棒，都无法撬开它。只有用善良和理解，你才能成为一把精致的钥匙，滑进某人的心，真正了解他们。所以记住，要善良和理解，你会发现，每个人的心都像那把锁一样容易打开。
