

我们每天都说自己很忙，有些人是真的忙，而有些则是无所事事的忙，还有一些，只是在领导面前显得很忙。你是哪一种忙？

[illegible]

My realtor taught me this trick of staging my house for sale so I tried it at work, I started desk staging so it looked like I was too busy to take on another task and my boss bought it!

[illegible][illegible]

Sitting at a desk tapping away at keys all day looks productive. Of course, when that tapping is just chatting with friends, it isn't really productive, but no one else knows that. This is one form of fauxductivity.
