

《苏格兰独立公投结果公布:苏格兰拒绝独立》

Scotland has voted to stay in the United Kingdom after rejecting independence.

????????????????????????????????

With 30 out of the country's 32 council areas having declared after Thursday's vote, the "No" side has an unassailable lead of 1,877,252 votes to 1,512,688.

The vote is the culmination of a two-year campaign. Talks will now begin on devolving more powers to Scotland.

????????????????????????????????

This margin of victory is some three points greater than that anticipated by the final opinion polls.
