英语是一门全球通用的语言，它不仅是沟通的桥梁，更是文化的载体。在初中阶段，大家要开始学习写英语作文，这里给大家整理了两篇七年级上册英语作文，供大家学习。

七年级上册英语作文1

My name is Tom, and I have a brother named Jim. We may not look alike, but we're close. Jim has long hair and a round face with big eyes and a big nose. He's tall with long legs and small hands. I, on the other hand, have short hair and a round face too, but with small eyes and a big nose. My legs are short, but my hands are big and strong. We may differ in appearance, but we share the same love for adventure and laughter. Together, we make an unforgettable duo, always ready for new experiences. Despite our differences, we're brothers, and that's all that matters.

我叫汤姆，我有一个哥哥叫吉姆。我们可能长得不像，但我们很亲近。吉姆有一头长发和一张圆脸，大眼睛和大鼻子。他个子高，腿长，但手小。而我呢，我也是圆脸，但眼睛小，鼻子大。我的腿短，但我的手大而有力。我们可能在外表上有所不同，但我们有着共同的冒险精神和笑声。我们在一起，组成了一个令人难忘的组合，总是准备迎接新的体验。尽管我们存在差异，但我们是兄弟，这才是最重要的。

七年级上册英语作文2

My brother Jim and I are siblings, yet we couldn't be more different in appearance. With his long hair and round face, Jim stands in stark contrast to my short hair and similar round face. His big eyes and large nose are a striking contrast to my small eyes and equally big nose. While Jim's long legs and small hands set him apart, I have short legs and big hands. Despite these physical differences, our bond as brothers remains unshaken, a testament to the fact that resemblance isn't a prerequisite for sibling love.

我的哥哥吉姆和我虽然是兄弟，但我们的外貌差异极大。他那一头长发和圆润的脸庞与我短短的头发和相似的圆脸形成了鲜明的对比。他那大大的眼睛和挺拔的鼻子与我小小的眼睛和同样的大鼻子形成了强烈的对照。吉姆的长腿和小手让他显得与众不同，而我则有短腿和大手。尽管我们有着这些外貌上的差异，我们作为兄弟的纽带依然坚固，这证明了相似的外表并不是兄弟姐妹间感情的必要条件。
