?????????Sitting Position????????????????????

When Sitting Idle Outside

????????

Exposing the Crotch

????????????

When we talk about sexual interest, expressive man have the "crotch display" - sitting with the legs wide apart to signal virility. These men usually signal that they feel dominant, strong and even a little smug.

The Duchess Slant

??????

These were an opportunity for Kate, 34, to show off her signature seated pose with legs slanted, ankles and knees together and hands cradled in her lap, which she has been perfecting since stepping into the public eye.

[illegible]

It's been labelled 'The Duchess Slant' by etiquette expert Myka Meier who told People magazine that Kate's go-to pose is crucial for not showing off too much during public appearances.

Feeling at Home

?????????

W-sitting

W???

You will know your child is sitting this way when you see their bottom on the floor and their knees bent with their feet on the outside of their hips.

??????????—??????????

Kneeling

???

The difference between kneeling and w-sitting is that when kneeling, someone will be sitting with their bottom on their feet, not on the floor.
