澳总理：相信信号来自MH370 黑匣子

SYDNEY, April 11 (Xinhua) -- Searchers are "very confident" that signals detected in the hunt for missing Malaysia Airlines flight MH370 are from black box, Australian Prime Minister Tony Abbott said on Friday.

??????????????????????????????????“???”“????”?

"We have very much narrowed down the search area and we are very confident the signals are from the black box," Abbott said from China, according to the Australian Broadcasting Corporation.

“??”?
