李 克强买19元海南特产英文报道

国务院总理李 克强从博鳌论坛中抽出一点点时间来到临近城市海南，被看到在一家便利店,购买了价值19元的两种椰子食品，吸引了不少人的注意。

Premier Li Keqiang took a little time off from the Boao forum for Asia and was spotted at a small shop in nearby city Haikou. His appearance made quite a buzz in the neighbourhood, and he possibly attracted more people than most tourist sights there.

There are other serious publicity benefits coming with a leader's visit. Remember how popular Qingfeng Steamed Bun became after President Xi Jinping bought some?

This time the lucky big sales were these coconut-flavoured cookies, which Premier Li bought two boxes of, costing 19 yuan. The remaining boxes on the shelves didn't last long after Premier Li left the shop.
