上海两消防员救火时被热浪从13楼推下

????????????????????????????????13????????????????????????????????

Two firefighters could be seen holding hands in photos of them falling from the 13th floor of a burning building while on an emergency call, the Beijing News reported on Friday.

The deaths of the young men caused a flood of tributes to be posted on Chinese Twitter-like platform sina weibo such as "salute to our heroes", "my heart's aching when I heard this", "my condolences to their families".
