黑龙江一火车出轨15人受伤

HARBIN, April 13 (Xinhua) -- Fifteen people have been sent to hospital after a passenger train derailed in northeast China's Heilongjiang Province early Sunday morning.

The Harbin Railways Bureau confirmed that the K7034 train en route from Heihe to the provincial capital of Harbin, derailed at the section in Hailun County of Suihua City at 3:17 a.m.

The injured passengers are still under examination and treatment in hospital. No death has been reported.
