

《涟水一医院要求护士穿空姐装》

????????????

????????????12????????12????????????

A hospital in Lianshui county, Huaian city of Jiangsu province, has requested that 12 of its nurses should wear air stewardesses uniforms when on duty. The 12 nurses were trained by an airline company before they were hired by the hospital.

"This move was adopted to reduce medical disputes by improving service and medical technology," the hospital said.
