

《深圳被水冲走孕妇尸体已找到》

????????????

周六被大水冲走的怀孕8个月的21岁女子的尸体已经在深圳石井社区杨木坑立交桥下被找到，南方都市报报道。

The body of a 21-year-old woman who was 8 months pregnant, which was swept by a rain-triggered flood on Saturday, has been found under a bridge in Shijing community in Shenzhen, South China's Guangdong province on Sunday, reported Nanfang Metropolis Daily.

An intense rainstorm pounded southern Guangdong on Saturday and Saturday, causing landslides and roads to wash out in many areas.
