北京已将地铁“禁止饮食”条款删去，北京新闻周三报道。

A ban on eating and drinking on the Beijing subway was removed from the railway's safety regulations, the Beijing News reported on Wednesday.

Not eating and drinking on the subway will be included in the passenger manual as an encouraged behavior.

According to the previous ban, that started March 10, subway passengers were fined up to 500 yuan (\$80) if they were found eating or drinking during their commute.
