### 6名高中生围殴老师

致老师头部受伤案已在调查中，

华商报周二报道。6名高中生围殴老师

事件发生在5月30日，陕西咸阳的长武县中学高中学生撕书庆祝即将高考毕业，50岁的曹老师上前劝阻被6名高中生用拖把围殴。

Six students who allegedly attacked a teacher and injured his head have been put under investigation, Shaanxi-based Huashang Daily reported Tuesday.

The incident occurred on May 30, when some senior students in a high school in Changwu county, Xianyang city of Northwest China's Shaanxi province, split books to celebrate the last school day before the national college entrance exam. The 50-year-old teacher, surnamed Cao, was allegedly beaten with mop rods by the six, while he was trying to stop the frenzy.
