

《单词百科:recrystallization是什么意思?recrystallization怎么发音?recrystallization的解释和用法》

英语单词recrystallization是什么意思?recrystallization怎么读?recrystallization怎么发音?简答网为您整理了recrystallization的解释、用法、例句、词组等相关学习资料。下面跟小编一起来看看吧!

recrystallization怎么读

recrystallization的读音:[rekr st la 'ze n]

recrystallization的意思

1、再结晶作用，重结晶，重结晶作用;

recrystallization的双语例句

1、 Measuring static austenitic recrystallization by Back extrapolation method.

采用后插法来测定静态再结晶分数.

2、 The purified rice amylose and amylopectins were obtained by n-butanol recrystallization method.

采用正丁醇反复结晶法分离得到的直链淀粉和支链淀粉有较高的纯度.

3、 METHODS: Alcoholic extraction, silica gel, ODS column chromatography and recrystallization were used.

方法: 采用工业酒精提取、 胶柱层析、 ds柱层析和重结晶等方法.

4、 The recrystallization that widely occurred in mylonite is a softening process.

重结晶作用在糜棱岩中广泛存在,是与应变硬化相反的一种软化作用.

5、 The dynamic recrystallization grain size has power law relation with Z parameter.

再结晶晶粒尺寸和Z参数呈幂律关系.

6、 Recrystallization and abnormal growth are also found in overpowered bonds.

键合时输入功率过大会造成再结晶及异常长大.

7、 The feasibility of improving K 417 fatigue life by surface shot peening and recrystallization was studied.

研究了采用喷丸再结晶方法提高K417合金疲劳寿命的可行性.

8、 On this condition, a set of recrystallization technology of HMX particle ball shape is developed.

并在此基础上, 研究出了一套HMX颗粒 球形化的重结晶工艺.

9、 The granulation mechanism of undercooled granular grains is owing to the dendrite breaking-up and recrystallization.

粒状晶粒化机制属于枝晶碎断 - 再结晶机制.

10、 Purification of 2,6 dichlorotoluene by the recrystallization method without solvent was studied.

研究了用无溶剂重结晶法提纯2,6二氯甲苯.

11、The recrystallization of the fibre will restore the desired shape.

纤维的再结晶可将所需要形状固定下来.

12、Recrystallization takes patience, but it's worth it!

重结晶须有耐心, 但它是值得的!

13、Trace lithium can improve recrystallization temperature of pure copper.

在工业纯铜中加入微量锂能提高其再结晶温度.

14、Results monomer of rubescensin A was obtained by using determinate ratio of organic regents and recrystallization.

结果在一定比例的有机溶剂洗脱下并利用重结晶可以得到冬凌草甲素纯品.

15、A recrystallization model of bcc metal was proposed to explain the evolution of tantalum textures.

提出了拉拔钽丝的再结晶织构模型.

以上是简答网为您整理的recrystallization怎么读的相关信息, 希望对大家有一定的帮助。查看更多关于recrystallization的用法、recrystallization的释义、recrystallization的相关详情请点击: <https://dict.jiandongshicai.cn/recrystallization>
