e: let complexity inequity technology member

never torment very effort reflect

energy yourself professional well address

ea: dead measure feather meadow ready

Weapon

ai: said

a: Bad

any many

????????????????

- 1 . Don't let complexity stop you.
2. As you leave Harvard?you have technology that members of my class never had.
- 3.And with that awareness, you likely also have an informed conscience that will torment you if you abandon these people whose lives you could change with very little effort.
4. And I hope you will come back here to Harvard 30 years from now and reflect on what you have done with your talent and your energy.

5. I hope you will judge yourselves not on your professional accomplishments alone, but also on how well you have addressed the world's deepest inequities...
