暑假是一个令人期待的时光，学生们终于可以放松身心，远离紧张的学习生活。在这个长长的假期里，他们可以选择去旅游，探索未知的地方，体验不同的文化。这里给大家整理了两篇my summer vacation作文，供大家参考。

my summer vacation 篇一

My summer vacation was a digital detox with a twist. I traded endless scrolling for the rustling of leaves as I hiked through dense forests.

Each day, I discovered new trails, my feet crunching on the earthy path. I pedaled my bike along winding country roads, the wind whispering secrets of the countryside. Back home, I nurtured a small garden, my fingers covered in soil as I watched tomatoes and cucumbers flourish.

It was a summer rich in the simple pleasures of nature, leaving me invigorated and grounded.

我的暑假是一场别具一格的数字排毒。我不再无尽地滑动屏幕，而是听着树叶的沙沙声在茂密的森林中徒步。

每一天，我都会探索新的小径，我的脚步在泥土路上嘎吱作响。我骑着自行车沿着蜿蜒的乡村道路前行，风儿低语着乡间的秘密。回到家，我精心照料着一个小花园，手指沾满泥土，看着番茄和黄瓜茁壮成长。

这是一个充满自然简单乐趣的夏天，让我感到精神焕发且心境平和。

my summer vacation 篇二

This summer, I immersed myself in the world of books. I devoured novel after novel, losing track of time as I got lost in the stories.

From thrilling adventures to heartwarming tales, each book took me on a journey. I also joined a local book club, where lively discussions made my love for reading even deeper.

It was a summer filled with imagination and knowledge, expanding my mind with every page turned.

这个暑假，我沉浸在书海之中。我一本接一本地阅读，在故事中忘却了时间。

从惊险的冒险到温馨的故事，每一本书都带我踏上一段旅程。我还加入了一个当地的书友会，热烈的讨论让我对阅读的爱更加深沉。

这是一个充满想象和知识的夏天，每一页的翻动都拓展了我的思维。
