percolation的双语例句

1、This corresponds to the percolation phase of the drying mechanism.

这相当于干化机理的渗滤阶段。

2、Continuum percolation theory and Archie's law.

连续区渗透理论和Archie's定律。

3、There is no percolation of political ideas from the membership to the leadership.

政治观念不会从成员那里传到领导层。

4、The percolation clusters with various occupying probability are constructed.

构造了具有不同占据概率的逾渗集团。

5、The results achieved by using the Archie formula and the percolation theory are in good accordance.

根据阿尔奇公式的分析结果同逾渗理论结果一致。

6、Objective To study the percolation extraction process of Rabdosia rubescens by orthogonal texts.

目的采用正交试验法研究冬凌草的渗漉提取工艺。

7、A percolation model for closed carbonate reservoir with natural fractures was built.

建立了天然裂缝性碳酸盐岩封闭油藏渗流模型。

8、Percolation structure of concrete was tested and characterized by AC impedance spectroscopy.

混凝土的渗流结构可以用交流阻抗谱方法来测定和表征.

9、The main reason for this seems to be the slow percolation rate of the local soil.

主要原因似乎是当地土壤的渗透率比较低.

10、It is set up trinomial equation for fractured well on-permeability gas reservoirs based on percolation mechanics.

文章从渗流力学基本理论出发,建立了低渗透气藏压裂井三项式产能方程.

11、The Percolation clusters with varying occupy probability were constructed in this paper.

构造了具有不同逾渗概率的逾渗集团.

12、There are critical points to distinguish different percolation mechanism on Klinkenberg regression line.

在克氏回归曲线上,存在界定不同渗流机理影响的临界点.

13、The percolation law of the reservoir was studied and its development effects was evaluated.

重点研究了储层的渗流规律,综合评价了开发效果,为油田继续稳产提出思路.

14、On microscopic and microstructural level , the relations between high T_c superconduct-tivity and percolation have been discussed.

在微观及亚微观(显微结构)层次上, 讨论了高温超导与渗流的关系问题.

15、The percolation threshold of aspirin was obtained after a series of calculations using percolation theory.

利用渗滤理论,经一系列计算可得到阿司匹林的渗滤阈.
