mineralogical怎么读

mineralogical的读音:[m n r 'l d kl]

mineralogical的意思

1、adj.矿物学的;

mineralogical的双语例句

1、You are very allegedly deep to mineralogical attainment, you are right botanical very perfectness also.

据说您对矿物学造诣很深, 您对植物学也很精通.

2、 Therefore, study on apatite crystal chemistry and mineralogical spectroscopy has both scientific significance and application values.

因此, 对磷灰石晶体化学、矿物谱学特征的深入研究既具有深远的科学意义, 又有着很大的应用价值.

3、 Petrological and mineralogical examinations of core material can be used to identify hydrothermal alterations.

岩芯的岩石学和矿物学研究也能用来鉴定水热蚀变.

4、 The mineralogical constitution of mold fluxes was investigated at the different temperature by TEM and XRD.

采用矿相显微镜及XRD研究了不同温度条件下连铸保护渣矿相结构的变化.

5、 The occurrence and mineralogical characteristics of serpentine cat's-eye found recently in Sichuan are in this paper.

本文介绍了新近发现的四川蛇纹石猫眼的产出和矿物学特征.

6、 The paper analyzed the reason from the aspects of rock mineralogical composition, physic-chemical properties and stress.

本文从地层岩石矿物组分、理化性能和地应力三方面分析了井眼坍塌的原因.

7、 Detailed knowledge of the mineralogical composition of rocks is important at many levels.

岩石矿物组分的详细资料在许多方面很重要.

8、 Composition and distribution of slag can be determined through mineralogical morphology inspection.

岩相检验方法可以确定炉渣的矿相组成和分布.

9、 The paper mainly introduces mineralogical characteristics quality and utilization.

本文主要介绍矿床地质特征、矿石质量及可能利用方向.

10、 These hydrochemical and mineralogical reactions aroused significant changing of

the hydro-physical properties of the basal clay.

此类水化学反应和矿物变化进一步引起了地基粘土的水理性质改变.

11、Composition and mineralogical characteristics of slag during steelmaking with different hot metal were studied.

介绍了不同成分铁水炼钢的炉渣岩相检验结果和特点.

以上是简答网为您整理的mineralogical怎么读的相关信息，希望对大家有一定的帮助。查看更多关于mineralogical的用法、mineralogical的释义、mineralogical的相关详情请点击：<https://dict.jiandongshicai.cn/mineralogical>
