《一种动物代表一种人2）tshrimp 代表个子很矮的人》

2 shrimp

???????shrimp??????????????????????????shrimp??????????????????shrimp?

???
Basketball is a game for tall people. But once in a while a player like Mugsy Bogues comes along. Mugsy is a real shrimp--only 1.6 meters tall. But he's so quick and clever he can play on equal terms with all those giants.
??

???
The great French leader Napoleon was shorter than everybody around him?so you'd have to call him a little shrimp. But for a shrimp?he certainly made the rest of Europe tremble.
