《时代新语：聚会上的“无聊谈话”》

有没有觉得参加完一次聚会回来，感觉似乎认识了好多人，跟不少人说了不少的话，但是一句都想不起来？告诉你吧，因为在聚会上，人们之间的谈话基本都是nonversation。

Nonversation means a completely worthless conversation, wherein nothing is illuminated, explained or otherwise elaborated upon, typically occurs at parties, bars or other events where meaningful conversation is nearly impossible?

Nonversation(????)??

For example:

Smith: What a waste of time it is talking to that guy?

??????????????

Jones: I know, every time I do, it's like a complete nonversation?

??????????????????????
