

《经济增长面临产能过剩的压力》

9月9日在大连举行的夏季达沃斯世界经济论坛上，国家发改委主任徐绍史聚焦中国产能过剩(excess manufacturing capacity)问题，对此发表意见。

China's top economic planner said that the country will reach out internationally to create new drivers for growth. The goal is to boost external demand by taking advantage of China's excess manufacturing capacity, said Xu Shaoshi, head of the National Development and Reform Commission.
