Monday is not my best day and last monday was the worst at all.

I forgot to wind up my alarm clock the night before.So I woke up late.I try to hurry because I didn't want to be late for work.First,I burnt my breakfast and couldn't eat it .Then, I got coffee on my blouse and had to change it . At noon, I want to relax.I went shopping for some new clothes.I was trying on blouses when I look at my watch.It was 1 o'clock.It's time to work again.

In a hurry, I drop my blouse on the table and started to leave with the new blouse on.The clerk called: "Hey, lady, are you going to pay for that?"

My face got red,everyone was looking at me.
