

《七年级上册英语阅读理解专项训练27（含答案解析）》

Lily	My favorite subject is music. I have music on Tuesday and Friday. My music teacher is Mrs. Li. She is good at singing and dancing.
George	My favorite subject is history. I'm interested in Chinese history. My history teacher is Mr. Zhang. He knows almost(几乎)everything about history.
Ben	My favorite subject is math. Lots of students don't like math, but I like it. I think math can make me clever.
Linda	My favorite subject is English. I want to be an English teacher like Ms. Green. She is my English teacher. She is from New York, but now she lives in China.

1. What's Lily's favorite subject?

A. Music. B. History. C. Math. D. English.

2. Who likes history best?

A. Lily. B. George. C. Ben. D. Linda.

3. What does the underlined word "clever" mean in Chinese?

A. 无聊的 B. 愚蠢的 C. 聪明的 D. 困难的

4. Where does Linda's English teacher come from?

A. China. B. America. C. England. D. Australia.

5. Which of the following is TRUE according to the passage?

A. Lily has music on Monday.

B. The four students love the same subject.

C. The four students are in the same class.

D.We don ' t know about Ben ' s math teacher.

答案解析：

1. A.Music. - 文章中Lily明确提到她的最喜欢的科目是音乐(My favorite subject is music.)。

2. B.George. - 文章中George说他最喜欢的科目是历史(My favorite subject is history.)，并且他对中国历史感兴趣。

3. C.聪明的 - 文章中Ben提到他认为数学可以让他变得聪明(math can make me clever.)，在这里“clever”的意思是聪明的。

4. B.America. - 文章中提到Linda的英语老师Ms.Green来自纽约(She is from New York)，纽约位于美国，所以正确答案是B.America。

5. D.We don ' t know about Ben ' s math teacher. - 文章中没有提到Ben的数学老师的任何信息，而其他选项A、B、C都与文章内容不符。A选项错误，因为Lily有音乐课是在星期二和星期五，不是星期一；B选项错误，因为四个学生喜欢的科目各不相同；C选项错误，因为文章中没有提到四个学生是否在同一个班级。
